

Flexible Class Session #2

Ivan Corneillet

Data Scientist

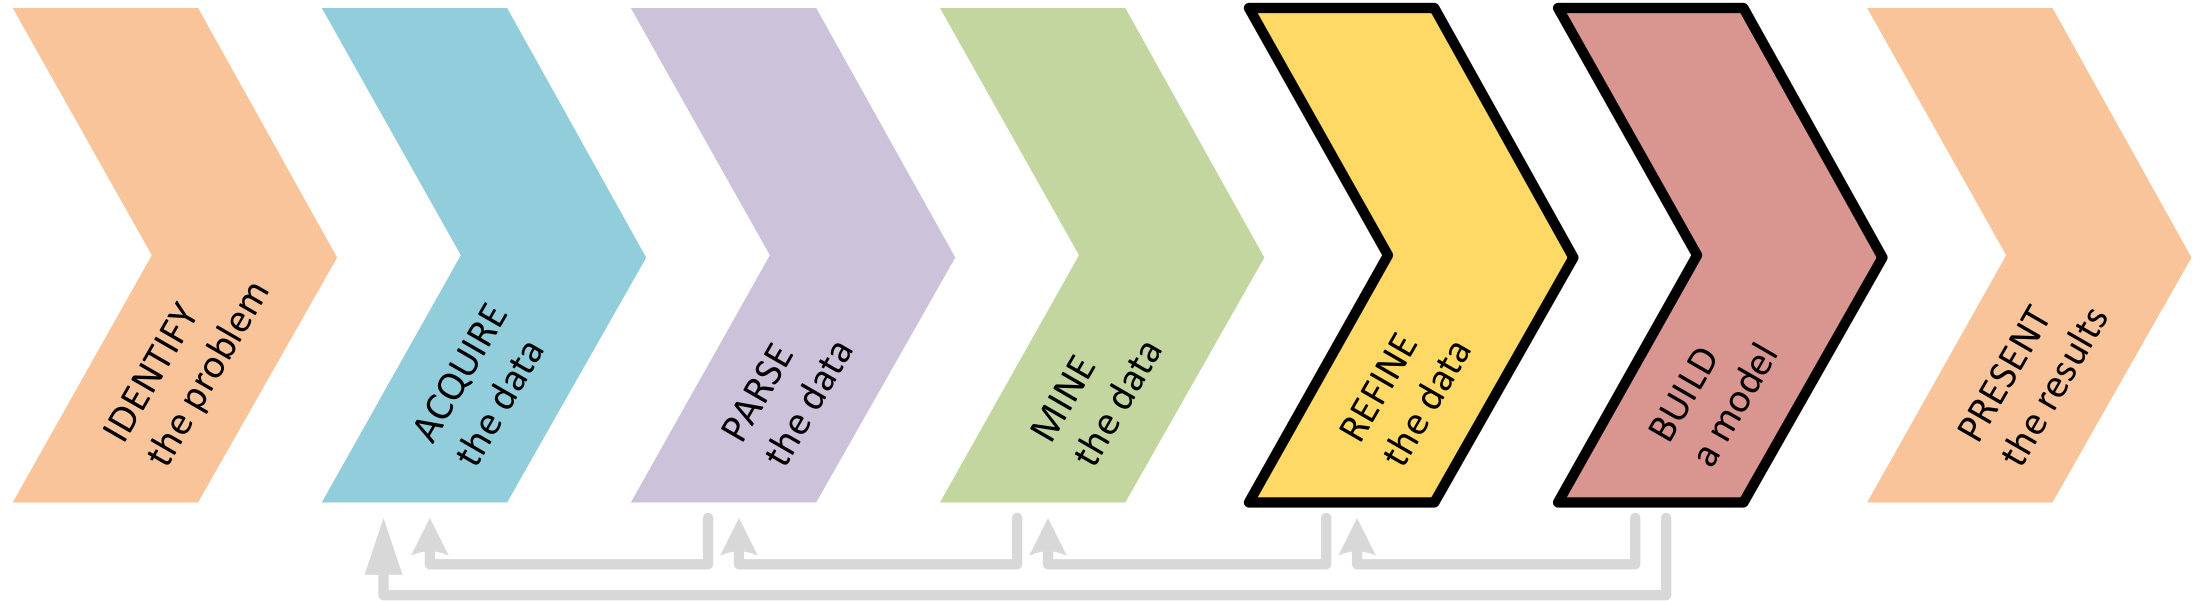

Learning Objectives

- Lab session (no lecture today) to put into practice Unit 2's concepts:
 - Linear Modeling (OLS)
 - Classification Modeling (KNN and Logistic Regressions)
- Another opportunity to collaborate with classmates
- Have Fun doing Data Science work!

Outline

- Lab
- In-flight
 - **Unit Project 4 (due next session on ~~3/29~~ 3/31)**
 - Final Project 2 (due in 2 weeks)
